I see it in your eyes  
you want to let me go  
But baby please don't let me go  
Tonight I'll hold on tight  
Before you slip right through my hands  
Cuz everywhere i go  
And everybody Knows  
They ask me about it  
I guess I'll have to say

(chorus:)

I guess you've never fell in love  
I guess it wasn't strong enough  
I guess I've could've been a better man  
I guess it wasn't worth a second chance  
I wish i never fell in love  
Cause maybe then it wouldn't hurt so much  
Even though you really broke my heart  
I would do it all again  
I'd do it all  
I'd do it all again

And every time I think about  
Your eyes,your smile,your pretty face  
It drives me wild  
But now I'm all alone  
I'm missin' you right now  
Girl what did i do wrong  
It hurts me deep inside  
You don't want me in your life  
Oh I

(Chorus)

I guess you've never fell in love (i guess you've never  
fell)  
I guess it wasn't strong enough  
I guess I've could've been a better man(better man)  
I guess it wasn't worth a second chance  
I wish i never fell in love  
Cause maybe then it wouldn't hurt so much  
Even though you really broke my heart(my heart)  
I would do it all again

Inside me  
What I'm fellin'  
Is just make believe  
Cause i cant believe  
You wanna leave  
Don't wanna be with me  
Oh baby

(Chorus)

I guess you've never fell in love  
I guess it wasn't strong enough  
(I guess I've could've been a better man)  
We deserve a second chance  
I wish i never fell in love  
Cause maybe then it wouldn't hurt so much  
Even though you really broke my heart(my heart)  
I'm missin' you

(Chorus)

I guess you've never fell in love (i guess you've never  
fell)  
I guess it wasn't strong enough  
I guess I've could've been a better man(better man)  
I guess it wasn't worth a second chance  
I wish i never fell in love  
Cause maybe then it wouldn't hurt so much  
Even though you really broke my heart(my heart)  
I would do it all again  
I'd do it all  
I'd do it all again
