They call me  
Doctor Love, baby  
Paging Doctor Love  
To emergency  
Doctor Love  
To emergency

[Chorus:]  
I'm Doctor Love  
(Love)  
I'm Doctor Love  
(Love)  
Come be my patient  
(Patient)  
I'll cure  
Without a drug  
I'm Doctor Love  
(Love)  
I'm Doctor Love  
(Love)  
Come be my patient  
(Patient)  
I'll cure  
Without a drug  
I'm Doctor Love

You could call me  
The love doctor  
Imma make  
You feel better  
Sometimes pain  
Is pleasure  
Lay down  
On the stretcher

Love sick  
But I got the cure  
So don't you panic  
Babe  
You'll be begging me  
For more  
After the surgery

Tell me  
When you're sick again  
In need of healing  
I'll be there for you  
Love is like a vitamin  
I got the feeling  
So let me love you

Oh, here's  
What I'm gon' do  
Calling in code blue  
About to rescue you  
With my medicine

(Chorus)

So I hear can't eat  
Not sleeping  
Come in  
For late night treatment  
Oh girl  
You're so contagious  
(It makes me)

I wanna help ya  
When you're under weather  
I can love it better  
All you need is  
One dose of my vaccine

So

(Repeat 4th and 5st verses)

(Chorus)

Have no fear  
Baby, I'm here  
Just show me where  
It hurts you babe  
So that I can  
Get to healing  
And don't be afraid  
Just take  
Of dose of me  
And I'll see you  
In the morning

(Chorus)

Let me ya  
Doctor baby  
Let me ya  
Doctor girl  
Let me ya  
Doctor baby  
Let me ya  
Doctor girl  
Oh, let me  
Rescue you  
Let me rescue you  
Yeah, oh
