Once Upon A Time
When My Heart
Was Blind
I Was So Innocent
I Didn't See It Comin'
Nooo

Now I Know The Truth
I Don't Blame You
I Blame Myself Cause I
Cause I Was So Naive
(Listen Baby)

We Can't Change
Who Win It From
We Could Only
Move Along
But It's Just
So Hard To Do

When The Breeze
That Blows In May
Sunshine In The Summer
The Autum Skies
Look Different In Your Eyes
When The Snow
Starts Comin' Down
Dumpin' Like It Used To
And Like The Rain
The Showers That's In April
Falling Down Again

I Try To Let It Go
(Try To Let You Go)
But Everywhere I Go
There's Somethin' Else
To See
That Brings Back
All These Memories

I Put The Letters Away
Took The Pictures

Out The Frames
But I Just Can't Seem
To Take You Out My Mind
(Listen Baby)

I Can't Help But Feel Alone
When It's Colder Than Before
Everywhere It Took Me
Where We Used To Be

When The Breeze
That Blows In May
Sunshine In The Summer
The Autum Skies
Look Different In Your Eyes
When The Snow
Starts Comin' Down
Dumpin' Like It Used To
And Like The Rain
The Showers That's In April
Falling Down Again

As The Seasons Change
There's One Thing
Stays The Same
I Can't Stop Thinkin' Of You

When The Breeze
That Blows In May
Sunshine In The Summer
The Autum Skies
Look Different In Your Eyes
When The Snow
Starts Comin' Down
Dumpin' Like It Used To
And Like The Rain
The Showers That's In April
Falling Down Again
Fallin' Down Again
