And I don't care... what you do out there... I'll be better
all by myself... it's best that you leave... I'm through
hurting... girl I don't caaarre...

[Verse 1:]

You can save your tears but I won't change my mind...
you can say your sorry but it won't work this time... I
thought that we will last forever... jokes on me
should've known better hooa... ooaano... I hope he
breaks your heart without a reason why... I gave you all
of me and you left me to die... so I'm moving on to
something better... it's my time it's now or never...
hoooa... oonooaoh

[Chorus:]

And I don't care... what you do out there... I'll be better
all by myself... it's best that you leave... I'm through
hurting... girl I don't caaarre

[Verse 2:]

How can you say baby please forgive me... when I was
down on one knee you turned your back on me... now
look who's doing all the begging... sounds real good to
the love I'm bleeding... (this is how you wanted it to
be)... now when you realize you really miss me...
remember I'm the one you said you didn't need... so go
back to your new found loser... cause I have her meet
my new futue... hooao... she's miiinne

[Chorus:]

And I don't care... what you do out there... I'll be better
all by myself... it's best that you leave... I'm through
hurting... girl I don't caaarre

[Bridge:]

I'm singing woohhooaaa oohowaaa... woohhooahoo
ooohoawoa... I don't care... I don't care... I don't
caaarre

[Chorus:]

And I don't care... what you do out there... I'll be better

all by myself... it's best that you leave... I'm through
hurting... girl I don't caarre...

And I don't care... what you do out there... I'll be better
all by myself...
