[Intro: P. Diddy]

Close your eyes. [echo]

Relax your mind. [echo]

Fantasize. [echo]

Come with me. [echo]

[Verse 1: Donnie]

If you want to go far ...far

Let me take you to the stars....the stars

I'm gon' take you there

We don't even need a car...a car

If you want to go to Mars...to Mars

I'm gon' take you there

Have you ever seen the clouds up close?

Take a deep breath, baby let's go

I'm goin' take you there

What's your desire

I'm your supplier

I'll get you higher.

[Chorus:]

When your ready to go

Baby let me know cause girl I promise I can take you there

I'll take you there

When your ready to go

Baby let me know cause girl I promise I can take you there

I'll take you there

I'm gon' take you there.

[Verse 2: Donnie]

Baby

You can play Lois Lane

When you need me I can be your Superman

Lazy lovers love will let you spread your wings

While your sleepin' you'll be calling out my name.

"Donnie"

If you want to go far ...far

Let me take you to the stars....the stars

We don't even need a car...a car

If you want to go to Mars...to Mars.

[Chorus:]

When your ready to go
Baby let me know cause girl I promise I can take you
there
I'll take you there
When your ready to go
Baby let me know cause girl I promise I can take you
there
I'll take you there
When your ready to go.

[Breakdown:]

I can picture you and me
Makin' love above the breeze
We'll be lyin' on the clouds
We don't plan on comin' down
It's the place where we were low
Even though the stars are gone
Let's go, let's go, let's go.

[Verse 3: P. Diddy]

Excuse me lady, how you doin'?
How my baby?
I'm just screwin' around I'm crazy,
Baby girl I'm night and dayin'
Kiss you girl, don't stop your lovin'
Every time you stop the frontin'
I'll pop your oven,
You should in fact stay,
Could be that way,
I'm Good in that way,
Hood in that way,
I'll be your lover, your favorite color
We outerspacing, we breathe each other
Your inner tension
I got the answer
I'll push you back up, It's hard to stand up
I'm yours it's on, yes baby girl your fuckin' with Sean,
Ride wit a dawn, foreign languages, let's play Pong
Take off your outfit and let's be gone.

[Breakdown 2:]

Girl I got you in the zone, in the zone
So far girl I swear your mind is blown, mind is blown
Did your heart just skip a beat, skip a beat
So high up I know it's hard to breath.

[Chorus:]

When your ready to go

Baby let me know cause girl I promise I can take you
there
I'll take you there
Now when your ready to go
Baby let me know cause girl I promise I can take you
there
I'll take you there
When your ready to go
I'll take you there, don't you be scared, I'm gon' take
you there
When your ready to go
Just close your eyes, your in for a ride
I'm gon' take you there, I'm gon' take you there, b-a-b-y
Uh-huh uh-huh, ohhh,
I love the way the beat goes...
