(Oh yeah. Be my idol)

My female desire,
So glad that you came.
Your presence has touched me,
My whole world has changed.
I'm walking on water,
You strengthen my faith.
It feels like I feel ya'
My knees drop,
Afraid to pray, pray, pray.

Just like
A perfect work of art,
Picasso on display.
Girl
You're my inspiration.

You're my idol,
Or the Bible.
Girl I must confess
Your love is the best.
Be my idol and only I know.
How to worship you girl.

I'll never leave,
I'll never leave.
That's where I will be
(Oh, oh)
That's where I will be.

Your love's like a temple,
So sacred and precious.
You have my heart
And that's my confession.
I found the truth
And I found it in you.
Everything you teach me
Of youth.

Just like
A perfect work of art,

Picasso on display.
Girl
You're my inspiration.

You're my idol,
Or the Bible.
Girl I must confess
Your love is the best.
Be my idol
And only I know.
How to worship you girl.

And you're my,
You're my idol,
Or the Bible.
Girl I must confess
Your love is the best.
Be my idol
And only I know.
How to worship
The you girl.
I'll never leave,
I'll never leave.
That's where I will be
(Oh, oh)
That's where I will be.

I'll never leave,
I'll never leave
That's where I will be
(Oh oh oh)
That's where I will be

Had a vision I saw you girl
And I couldn't even breathe.
My body shakes,
There's no time.
So I pray to the universe
How long will it be?
How long will it take you?

You're my idol,
Or the Bible.
Girl I must confess
Your love is the best.
Be my idol and only I know.
How to worship the you girl.
I'll never leave,
I'll never leave.
That's where I will be
(Oh, oh)

That's where I will be.

And you're my,
You're my idol,
Or the Bible.
Girl I must confess
Your love is the best.
Be my idol and only I know.
How to worship the you girl.
I'll never leave,
I'll never leave.
That's where I will be
(Oh, oh)
That's where I will be.

I'll never leave,
I'll never leave.
That's where I will be (Oh, oh)
That's where I will be.
