I'm so over you  
I'm  
I'm so over you (3x)

I should've  
Been stronger  
When you left me baby  
I just didn't see  
It coming, no

Should've waited longer  
Could've worked it out  
I know it eats you  
Up inside

Now when you  
Call my phone  
Tellin' me  
You dissing me  
You still love me  
I can't believe  
You're unbelievable

Cause I never  
Really knew  
It was ending  
But I should've seen  
From the beginning  
When I used to be  
So independent  
Then all I did  
Was think of you  
Girl, you know  
What I could've  
Showed you  
I'm gonna  
Keep my head  
High on my shoulders  
I'm better off now  
That it's over  
And I'm not gonna  
Think of you

Cause I'm so over you  
I'm so over you  
Yes  
I'm so over you  
I'm  
I'm so over you  
I'm so over you  
Yes

I should've  
Known better  
I should've seen  
Right through  
It was all  
About the chase, baby  
Now  
I'm a little wiser  
Because of girls  
Like you  
I learn  
From my mistakes

No I can go out  
Every night  
Enjoy myself  
Without the fights  
And no more  
No more  
Sleepless nigts  
Yeah  
Cause I never  
Really knew  
It was ending  
(I never knew)  
But I should've seen  
From the beginning  
(Oh, yeah)  
When I used to be  
So independent  
Then all I did  
Was think of you  
Girl, you know  
What I could've  
Showed you  
(I could've showed you)  
I'm gonna keep my head  
High on my shoulders  
I'm better off now  
That it's over  
(I'm better off)

And I'm not gonna  
Think of you

I used  
To want to know  
Why'd you go  
And break my heart  
Like we never met  
My babe, at all  
Time has made me wise  
I know  
I didn't believe  
When they told me  
That I would get  
Over you

Cause I never  
Really knew  
It was ending  
But I should've seen  
From the beginning  
When I used to be  
So independent  
(Oh, baby)  
Then all I did  
Was think of you  
Girl, you know  
What I could've  
Showed you  
(Ooh, I)  
I'm gonna keep my head  
High on my shoulders  
(Oohh)  
I'm better off now  
That it's over  
(I'm better off)  
And I'm not gonna  
Think of you

(Ooh, girl)  
Cause I never  
Really knew  
It was ending  
But I should've seen  
From the beginning  
When I used to be  
So independent  
Then all I did  
Was think of you  
Girl you know  
What I could've

Showed you  
I'm gonna keep my head  
High on my shoulders  
I'm better off now  
That it's over  
And I'm not gonna  
Think of you

Cause I'm so over you  
I'm so over you  
So over you  
Yes  
I'm so over you  
I'm so over you  
Yes(x1)

I'm so over you  
I'm  
I'm so over you (3x)
