This nightmare
Playing in my head like you're right there
Making me believe that you ever care
About me
About us
About anything at all

Does he feel the same way?
Your heart giving away
It's taking its toll on me
(To see you) To see you in his arms
To see you really gone
To see you moving on

So soon
Did you even give your heart it's time to heal?
Was any part of what you gave me real?
To have moved on so soon (so soon) so soon
Now tell me
Did you ever really fall in love?
Were you ever really into us

Coz I know I'm right
That you're moving on so soon
We just broke
So soon
Wasn't that enough?
So soon
Were you mad in love?
So soon
Did you just give up?
So soon
We just broke
So soon
Wasn't that enough?
So soon
Were you mad in love?
So soon
Did you just give up?

I can't believe

I'm seeing you with him and girl it's killing me
It's slowly taking every single piece of me
It's making me question if you were just messing
Now I'm left and guessing

Does he feel the same way?
Your heart giving away
It's taking its toll on me
(To see you) To see you in his arms
To see you really gone
To see you moving on

So soon
Did you even give your heart it's time to heal?
Was any part of what you gave me real?
To have moved on so soon (so soon) so soon
Now tell me
Did you ever really fall in love?
Were you ever really into us

Coz I know I'm right
That you're moving on so soon
We just broke
So soon
Wasn't that enough?
So soon
Were you mad in love?
So soon
Did you just give up?
So soon
Wasn't that enough?
So soon
Were you mad in love?
So soon
Did you just give up?

So soon
Did you even give your heart it's time to heal?
Was any part of what you gave me real?
To have moved on so soon (so soon) so soon
Now tell me did you ever really fall in love
Were you ever really into us

Coz I know I'm right
That you're moving on so soon
We just broke
So soon
Wasn't that enough?
So soon
Were you mad in love?
So soon

Did you just give up?
So soon
Wasn't that enough?
So soon
Were you mad in love?
So soon
Did you just give up?
