feat. P.Diddy

(P.Diddy):

Close your eyes (echo)

Relax your mind (echo)

Fantasize (echo)

Come with me (echo)

(Donnie)

If you want

To go far, far

Let me take you

To the stars

The stars

(I'm goin take you there)

We don't even need

A car, a car

If you want to go

To Mars, to Mars

(I'm goin take you there)

Have you ever seen

The clouds up close?

Take a deep breath

Baby, let's go

(I'm goin take you there)

What's your desire

I'm your supplier

I'll get you higher

When you're ready to go

(Baby, let me know

Cause girl I promise

I can take you there)

(I'll take you there)

When you're ready to go

(Baby, let me know

Cause girl I promise

I can take you there)

(I'll take you there)

(I'm goin take you there)

Baby

You can play Lois Lane

When you need me  
I can be your Superman  
(Be your superman)  
Lazy lovers  
Love will let you  
Spread your wings  
While you're sleepin  
You'll be  
Calling out my name  
(Donnie)

If you want  
To go far, far  
Let me take you  
To the stars  
The stars  
We don't even need  
A car, a car  
If you want to go  
To Mars, to Mars

When you're ready to go?  
(Baby, let me know  
Cause girl I promise  
I can take you there)  
(I'll take you there)  
When you're ready to go  
(Baby, let me know  
Cause girl I promise  
I can take you there)  
(I'll take you there)  
When you're ready to go

I can picture you and me  
Makin love above the breeze  
We'll be lying on the clouds  
We don't plan on coming down  
It's the place  
Where we were low  
Even though  
The stars are gone  
Let's go  
Let's go, let's go

(P. Diddy)  
Excuse me lady  
How you doin'  
How my baby?  
I'm just screwin  
Around and crazy  
Baby girl

I'm night and dayin  
Appreciate you girl  
Don't stop you're lovin'  
Everytime you stop  
The frontin  
I'll pop your oven  
You should in fact stay  
Could be that way  
Good in that way  
Hood in that way  
I'll be your lover  
Your favorite color  
We outerspacing  
We breathe each other  
Your inner tension  
I got the answer  
I'll push you back up  
It's hard to stand up  
I'm yours this song  
Yes, baby girl  
You're fucking with Sean  
Ride wit a dawn  
Foreign languages  
Let's play Pong  
Take off your outfit  
And lets be gone

(Donnie)  
Girl I got you  
In the zone  
In the zone  
So far girl  
I swear  
Your mind is blown  
Mind is blown  
Did your heart  
Just skip a beat  
Skip a beat  
So high up I know  
It's hard to breath

When you're  
Ready to go  
(Baby, let me know  
Cause girl I promise  
I can take you there)  
(I'll take you there)  
Now when you're  
Ready to go  
(Baby, let me know  
Cause girl I promise

I can take you there)  
(I'll take you there)  
When you're ready to go  
(I'll take you there  
Don't you be scared  
I'm goin take you there)  
When you're ready to go  
Just close your eyes  
You're in for a ride  
(I'm goin take you there  
I'm goin take you there  
B-a-b-y)
