[Donnie:]  
Come here  
Let me show you how.  
I can just  
Trust me .

[Chorus:]  
I can take the pain  
I can take the pain  
Let me take the pain away  
And show you what your worth

Let go  
A faithful meaningful word,  
For the hurt  
The way love rolls.

You have nothing to lose  
Everything I gave.  
I mean if love doesn't work what will?

[Chorus:]  
I can take the pain  
I can take the pain away [x2]  
Let me take the pain away
