i can't explain, don't understand, but everyday i think
about you,
you're the one, and it's for real, there ain't no words its
just how i feel
deep down inside and i can't hide the way you make
me feel so high...
and i cannot deny...

you make me feel, like a kid in a candy store
you make me feel, like ive never been here before
you make me feel, everyday is my birthday
you're makin me feel this way
you make me feel, like i just won the lottery
you make me feel, like a change in ma destiny
and i thought about, never thought i'd feel this way
you make me feel

i'm guna come get you, i can't get u out of my mind
i'm guna come get you girl i gotta make u all mine

i get butterflies, everytime, i stare deep into those eyes
baby i'm helpless, or i'm just selfish, cause i want u all
to myself
oohhh what i'd give to make you mine, theres nuthing
that i would not trrryyy
and that's the reason why...

you make me feel, like a kid in a candy store
you make me feel, like ive never been here before
you make me feel, everyday is my birthday
you're makin me feel this way
you make me feel, like i just won the lottery
you make me feel, like a change in ma destiny
and i thought about, never thought i'd feel this way
you make me feel

i'm guna come get you, i can't get u out of my mind
i can lie my heart is like an open book, won't u take a
look
cause it aint hard 2 see that u got me hooked, now
baby

the way u got me feelins kind of crazy, what u got is
what i need
i'm loving eveything i see, we fit perfectly...cause...

you make me feel, like a kid in a candy store
you make me feel, like ive never been here before
everyday is ma birthday, feel this way, i sed...
you make me feel, like i just won the lottery, like a
change in ma destiny
and i thought about, never thought i'd feel...the way...
you make me feel
