Money from the genius mind  
Who help create the master plan  
Rulers underground beneath the surface  
Slowly waking

Futuristic weapons just created  
For your suffering  
Made in his own image  
Just to see we did where we'd go wrong

Chorus 1:  
Tempted from the fruits of life

An onward search for destiny  
Callous people reach for power  
Leadership and reasoning

Chorus 2:  
Redeem deny  
Redeem deny

Promises are glorified  
The evil sins of deadly fiends  
Money money changing hands  
To buy the world of all demand

Chorus 1

Chorus 2
