[Jazz)

tell me what this isn't a lie, I want you in my life. Why can i even be fine with those tears in my eyes. Why would you treat me so bad and i shouldn't even care. and boy loving you is making me mad cuz you are everywhere.

[prehook)

And i try to find things to do to keep me from thinking bout you. but nothing can do it for me. I try to tell myself you're not the one and all the things that you've done wrong. stays locked in and mentions to be...

[Hook)

Alone, Alone, dont wanna be Alone,
Alone

[Amina)

Why would you tell me we're through and from behind beg and plead(plead)Im convinced it's true you were no good I said im down on my knees. you got me eating out of your hands. I am standing by(im standing by)when I should be goin with another man instead of giving it another try.

[prehook)

oh I have seen another day and hopes everything will be ok but nothing gets any better. I cry begging you to hear me out, I know there aint nothing to talk about.I'm just afraid to end up...

[Hook)

Alone, Alone, dont wanna be Alone,
Alone

[piano solo)

[Hook)

Alone, Alone, dont wanna be Alone,
Alone
