First I go by the name of Heavy Boy , shout at me, I got

(And Black Buddafly, Black Buddafly)

Sometimes when I think about you
I wanna know if it's true what they say about you
If you a playa, a heartbreaker
Can we make up, I wanna take a chance
Wanna say what's up, how you doing baby
Can I be your lady for tonight
If it's alright we can have a goodtime
Just say you're all mine

I can't wait for you to take over
I can't wait for you to be my lover
I don't care if it's just for tonight as long as you doing

I can't wait for you to take me with you
I can't wait for you to see what I'm gon' do
I don't care it's just for tonight as long as you doing me

Enjoying the moment with you and my crew
If that's cool with you
Let's go out and chill for a minute
Have a couple of drinks until we with it
Cause I'm a bad girl usually not like this
But tonight I'm a make you feel like it's real oh so real

right
I can't wait for you to take me with you
I can't wait for you to see what I'm gonna do
I don't care it's just for tonight long as you do me right

It's Heavy Boy, Heavy Boy
And Black Buddafly, Black Buddafly
