And there's Something On My Mind  
Since You're The One I Like  
I Wanna Tell It To You  
Cause No One Is You and...  
Oh...  
Feels Like I Wanna Get Down  
When Nobodys Around  
But I Wanna Do It To  
There's No One Else But Chu Its...  
Oh Yeah...

There's Been A Couple of Men In My Life  
I Would Say That Had Potential  
To Stay  
But None Of Them Ever Proved Me Right  
And I Can Say That  
I don't Want Them  
So Now I'm Sitting Missing You  
Thinking Boy You Got  
Me Not Knowing What To Do  
Cause I'm Not Suppose To  
Talk To You  
But You Got Something About You Baby

And there's Something On My Mind  
Since You're The One I Like  
I Wanna Tell It To You  
Cause No One Is You and...  
Half As Good  
Half As Nice  
Half As This Time  
That's Right  
Feels Like I Wanna Get Down  
When Nobodys Around  
But I Wanna Do It To  
It's Only You that's...  
Half As Good  
Half As Nice  
Half As This Time

There Aint Nobody Better Than You  
And I See It

In Everything That You Do  
Every Chicks Like  
Oh  
And I Wanna  
Oh  
Your Outside Matches Your Inside  
Oooonly You  
Can Do It  
And I Knew It  
That Thing That Makes Ladies  
Wanna Leave Their Man  
You Got That Touch  
I Feel It  
Baby Take My Hand  
Take Me As I Will  
Lead You Though I Know You Got Skills  
I Will Help You The Right Way  
So Just Follow

And there's Something On My Mind  
Since You're The One I Like  
I Wanna Tell It To You  
Cause No One Is You and...  
Half As Good  
Half As Nice  
Half As This Time  
That's Right  
Feels Like I Wanna Get Down  
When Nobodys Around  
But I Wanna Do It To  
It's Only You that's...  
Half As Good  
Half As Nice  
Half As This Time

I Know You Heard About It Before  
But I'm As Real As It Gets  
It Aint To Many Who Can  
Wonder Around The Hood In A?  
Hands Down I Guarentee You  
They Aint Nothing To Save  
I Gotta Swagga That'll Suit Me  
That I Be Doing My Thing  
Yeah I'm The One Ya Girls Told You About  
But Who Is They?  
Yeah I Kick It In The Streets  
Cause Aint No Other Way For Trae

And there's Something On My Mind  
Since You're The One I Like  
I Wanna Tell It To You

Cause No One Is You and...  
Half As Good  
Half As Nice  
Half As This Time  
That's Right  
Feels Like I Wanna Get Down  
When Nobodys Around  
But I Wanna Do It To  
It's Only You that's...  
Half As Good  
Half As Nice  
Half As This Time
