Ooooo
Yeaaa
La La La La La Laaa
Oh Yeaaa

Boy I Trust You And All,
But I Been Here Before You.
You Remind Me Of Pain,
But I Can't Ignore You.

After I Met You Boy,
I Tried My Best Not To Think Of You (I Try)
Such A Silly Game To Play,
To Eventually Just Lose To You.

Can I Get Another Chance To Hold You Tonight (One Mo
Baby)
Dance On My Left And Things Feel So Right (Ohh Yea)
Hold You Boy With All Of My Might
Just Don't Let You Slip Away
I Poured My Heart Out To You
From Now To Daylight(Oh Yea)
So You Would Know Hurting You Was Never My Right
(Yea Yea Yea)
I'm Trying To See What's In The Closet Tonight
So Please Except This As My Plea:

I Love You(Ooooo)
I Love You(Oooooo Looove You)
I Love You(Ohh Yes I Do)
Hey Hey, So Don't Break My Heart
[Verse x2]
(Don't Break Me Heart)

I Sat And Waited For My Chance,
Now That You Know Just How I Feel.
I Held It In For Far Too Long.
I Couldn't Tell If This Was Real.

I Never Thought I'd Understand,
How It Feels To Be Hurt And To Love Again.(No No)
I Guess It's Possible For Me,

That's Why I Let You In.

Can I Get Another Chance To Hold You Tonight(C'mon
C'mon C'mon)
Dance On My Left And Things Feel So Right
Hold You Boy With All Of My Might
And I Won't Let You Slip Away
I Poured My Heart Out To You
From Now To Daylight(Oh Nooooo)
So You Would Know Hurting You Was Never My Right
I'm Trying To See What's In The Closet Tonight
So Please Except This As My Plea(Yea Yea Yea Yea)

I Love You(I I Do)
I Love You(Baby Please, You're The One I Need)
I Love You(Said I Love You)
Hey Hey, So Don't Break My Heart
[Verse x2]

Like Stars In The Sky
You Were Light Of My Life
That's Why I Love You just Don't Break My Heart(Dont
You Break My Heart)

Without You By My Side
I Was Wasting My Time
But Now I Love You(But Now I Love You)

I Love You(Baby You Know That I Love You)
I Love You(Yes I Do)
I Love You(Oh Yes I Do)
Hey Hey, So Don't Break My Heart
[Verse x2]

Like Stars In The Sky
You Were Light Of My Life
That's Why I Love You just Don't Break My Heart(Dont
You Break My Heart)

Without You By My Side
I Was Wasting My Time
But Now I Love You(But Now I Love You)

Said I Love You
Just Don't Break My Heart
