[Verse 1: Jazz]

Free as the wind
I wanna be free like an angel
I was so lost within
Couldn't be myself
And that caused failure
Something inside
Came and said to me
Where is your life?
Realization was the key
Cause now I'm fine

[Chorus:]

I wanna fly till I see a rainbow come over me
Fly to where the sun will follow me
Cause "I'll Be The One There"
Ooooo Yea

[Verse 2: Amina]

Always were the ones
The ones who was mislead
And left empty handed
And that's why I so close to come
I'm still on my way
And the road has not ended
But instead of keeping it all inside
I learned how to open up
It took a lot to go through this
So I can sing it out loud enough

[Chorus:]

And I will fly till I see a rainbow come over me
Fly to where the sun will follow me
Cause "I'll Be The One There"
Oooohh Ohh
Yeaah Oh

[Verse 3: Both]

I won't be scared of what is different
[No, No, No, No]
And I will do anything to make them listen
[Go, Go, Go, Go]

We came to far to give up now
[Give up now]
Talk to myself I'll make it somehow
[Somehow]
Cause I'll Be The One There!
And I won't fail
As long as I believe that I will fly

[Chorus:]
Fly until I see a rainbow come over me
Fly to where the sun will follow me
Cause "I'll Be The One There" [x2]

[Both:]
Rainbow comes yea
Fly
Cause I'll be the one there...
