Black Buddafly...
Oh oh oh whoaaaa
Yea!

Verse 1:

I'm Done W. The Usual
Always Bout the Physical
So Glad He Aint the Typical
Guy I'm Used to Dating
There's Something More In Him
He Has Me Stumbling
And There's So Many Things
That I Appreciate and
He's That Type That Makes You Fall So Fast
(If That Had Anything) To Do Nothing He's Just Cool
He Gets Respect For Making It Last
Although I Make Him Wait He stays W. Me

Chorus:

Your Presence Alone Boy
That's Enough for Me
I'm Inside This Where I Need To Be
Let's Ride in Your Cadillac W. the Top Back
Nothing Can Top That
Just Me and My Baby
Just Me and My Baby
Just Me and My Baby
Just Me and My Baby

Verse 2:

Makes Me Feel So Proud
And There Aint No Doubt
That He Will Show Me How
He Be Putting It Down
I Know We'll Get To That Soon As The Sun Sets
Cause We Both Want It
But As Of Right Now
I Stay Guessing For His Ability
Waiting For His Good Loving
He Completes Me
I Want Him To Fulfill My Needs Eventually

But Time Will Kill
So For Now Let's Just Chill

Chorus:

Your Presence Alone Boy
That's Enough for Me
I'm Inside This Where I Need To Be
Let's Ride in Your Cadillac W. the Top Back
Nothing Can Top That
Just Me and My Baby
Just Me and My Baby
Just Me and My Baby
Just Me and My Baby (x2)
