[Amina(Verse 1:)]

The Smoke Is...

Feeling Our Lungs As We Shout

On Fire...

Tempers Gonna Bring Down The House

The Plates Are Flying

Crashing Onto The Wall

Now Who Am I Gonna Call?

[Amina(PreChorus)]

It's Getting Dangerous

(I'm Running Straight For The Door)

What Happened To Us?

(Can We Get Back To Before)

I'm Feeling Helpless

Got No Where To Turn

Whose There To...

(Chorus)

Rescue Me?

I'm Calling Out For Somebody

In This State Of Emergency

Cause All I'm Hearing Are The Sirens

The Sirens

Yea...

[Jazz(Verse 2:)]

My Hero

(Turn Into My Worst Enemy)

He Loves Me

(But, He Can't Stop Hurting Me)

Tears Falling...

I'm Leaving Everything That I Know

Knocked On My Face

And On My Own

[Amina(PreChorus)]

It's Getting Critical

(The Lights They Flash In The Streets)

So Unpredictable

(I Close My Eyes And I Scream)

I'm Feeling Helpless

Got No Where To Turn

Whose There To...

(Chorus)
Rescue Me?
I'm Calling Out For Somebody
In This State Of Emergency
Cause All I'm Hearing Are The Sirens
The Sirens
Yea...

[Both(Verse 3:)]
Is There Anyone I'm Calling On Tonight?
Get Me Outta Here Can't Face Another Fight
Ring The Alarm
Ring The Alarm
I'm Ready To Surrender(x2)

(Chorus)
Rescue Me?
I'm Calling Out For Somebody
In This State Of Emergency
Cause All I'm Hearing Are The Sirens
The Sirens
Yea... (Fade Out)
