All I Ever Really Wanted

By: Donnie McClurkin

Album: Donnie McClurkin Again

Searching for a lifetime

For something to satisfy

Paid a lot of prices and so many nights I cried

In my time of desperation

Came the simple revelation

That was

All I Ever Really Wanted Was You

Thought I wanted money and I thought I wanted fame

(Oh my)

Thought it would fill me

That's until it finally came

Then I sweetly hear you begging me

And it only took one second

To see

All I Ever Really Wanted Was You (Yeah)

There were times I didn't know what

(I was to do)

Said I didn't know what

(To think of you)

But when I turned around I turned and found

You were there all the time

I didn't know what

(Or where to go)

I didn't know what

(I was to know)

But you loved till you loved me to the truth yes

(You loved me like you)

If there were a moral to the things that I have learned
yeah

It would be to follow love every move and every turn

In a time of second chances

What I found at second glance is

Is that

All I Ever Really Wanted Was You (Yeah)

There were times I didn't know what

(I was to do)

I didn't know what

(To think of you)

But when I turned around I turned and found

You were there all the time
I didn't know what
(Or where to go)
Said I didn't know what
(I was to know)
But you loved till you loved my to the truth yes
You loved me like you, yeah
If there were a moral for the things that I have learned
oh huh
It would be to follow love every move and every turn
For in a time of second chances
What I found at second glance is
Is that
All I Ever Really Wanted
You know I found in you
Oh oh
All I Ever Really Wanted
Somehow I now it's true
Oh huh my
All I Ever Really Wanted
You know I found in you
Yeah yeah yeah yeah
All I Ever Really Wanted
Somehow I now it's true yeah
Oh
All I Ever Really Wanted
Was you, oh Lord
