I'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to me

My mother may not be a queen
But my father's king of everything
I'm adopted into the family
So I guess that makes me royalty

And he's given me dominion yes
Power over men, them yes
Everything I do is blessed
Promised me some great success
I am the authority
God of the majority
Livin' in my liberty
So you might as well get used to me

I'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to me

We're children of the most-high God
Understand and believe his word
We never have to beg or plead
For our father will supply our needs

And he's given me dominion yes
Power over men, them yes
Everything I do is blessed
Promised me some great success
I am the authority
God of the majority
Livin' in my liberty
So you might as well get used to me

I'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to me

I'm walking in prosperity
Living life the way it's meant to be
It's not wrong, dear, I belong here
So you might as well get used to me

Get something in your hand
Get something in your hand
Get something in your hand
Get something in your hand

And wave it in the air
And wave it in the air
And wave it in the air
And wave it in the air

I said 1, 2, 3
1, 2, 3
1, 2, 3
So you might as well get used to me

I'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to me

I'm walking in prosperity
Living life the way it's meant to be
It's not wrong, dear, I belong here
So you might as well get used to me

Get something in your hand
Get something in your hand

And wave it in the air
And wave it in the air

I said 1, 2, 3
1, 2, 3
1, 2, 3
So you might as well get used to me

I'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to me

I'm walking in prosperity
Living life the way it's meant to be
It's not wrong, dear, I belong here
So you might as well get used to me
