Well, well
It's gon be nice, it's gon be nice
Whatever's in store for me, it's gon be nice
It's crazy right now, Lord, but that's when You'll shine
I can't stop shouting knowing it's gon be nice

Well, well
You never promised me that my days would be
problem free
But You did promise to always take care of me
Right now, it seems that my troubles will never end
I know You promise to be my closest friend and it's
gonna be nice

It's gon be nice, it's gon be nice
Whatever's in store for me, it's gon be nice
It's crazy right now, Lord, but that's when You'll shine
I can't stop shouting knowing it's gon be nice

Well, well
I gotta remind myself daily who lives inside of me
And when I stay close to You, close to me You're gonna
be
No more crying about my situation, I know what I gotta
do
I gotta pray, gotta trust, gotta believe, depend on You,
yeah yeah yeah

It's gon be nice, it's gon be nice
Whatever's in store for me, it's gon be nice
It's crazy right now, Lord, but that's when You'll shine
I can't stop shouting knowing it's gon be nice

So I don't have the right to give up
I don't have the right to give in
You're gonna bring me through, oh
I'm gonna put my trust in You

I don't have the right to give up
I don't have the right to give in
You always brought me through

So I'm gonna put my, my, my, my trust in You

It's gon be nice, it's gon be nice
Whatever's in store for me, it's gon be nice
It's crazy right now, Lord, but that's when You'll shine
I can't stop shouting knowing it's gon be nice

It's crazy right now, Lord, but that's when You'll shine
I can't stop shouting knowing it's gonna be nice
