Jesus, Jesus
At the mention of Your name
Every knee will bow and tongue proclaim

Jesus, Jesus
You are Savior, You are Lord
And You are God

Everybody say

Jesus, Jesus
At the mention of Your name
Every knee will bow and tongue proclaim

Jesus, Jesus
You are Savior, You are Lord
And You are God

There is one name I love to hear
I love to sing its worth
It sounds like music in my ears
Sweetest name on the earth

Jesus, Jesus
At the mention of Your name
Every knee will bow and tongue proclaim

Jesus, Jesus
You are Savior, You are Lord
And You are God

You are God, so now
We worship and adore You
We lift our hands and praise
To the immortal, invisible
The [Incomprehensible] of faith

Creation bows before You
As Your children give You praise
You're the only one
That's worthy of this song

Jesus, Jesus
At the mention of Your name
Every knee will bow, tongue proclaim

Jesus, Jesus
You are Savior, You are Lord
And You are God

You are Savior, You are Lord
And You are God
You are Savior, You are Lord
And You are God

Hallelujah, oh, thank You, Lord
I'm not ashamed to say
God, I'll tell the world

That You're the only living God, yeah
You're the only living God
Yes, You're the only living God
You're the only living God

It's not Buddha, not Krishna
Not Mohammad, not Allah, no, no
You are the only living God

But we'll stand here for the world to declare
You are the only living God
That there ain't no other God beside You anywhere
You are the only living God

And we love You, we love You
We love You, Lord, we love You, Jesus
We love You, Lord, for [Incomprehensible]
We love You with all of our hearts

We praise You, we praise You, Jesus
We lift You up and glorify You
We magnify Your holy name
You're worthy of the glory

We adore You, we adore You
We worship You as the Omega
You're the King of kings, the Lord of lords
The Mighty God, no one before You

Yeah, You're the only God
You're the only living God
You're the only living God
You're the only living God

You are Savior, You are Lord
And You are God
Jesus
