I pray you'll be our eyes
And watch us where we go
And help us to be wise
In times when we don't know
Let this be our prayer
when we loose our way
Lead us to a place
Guide us with your grace
To a place where we'll be saved

I pray we'll find your light
And hold it in our hearts
when stars go out each night
Remind us where you are
Let this be our prayer
when shadows fill our day
Ohhh Lord, lead us to a place
Guide us with your grace
Give us faith so we'll be saved

A world where pain and sorrow will be mended
And every heart that's broken will be mended
And we'll remember we are all Gods children
Reaching out to touch you
Reaching to the sky

We ask that life be kind
And watch us from above
We hope it so we'll find
Another soul to love

Let this be our pray
Just like every child
Needs to find a place
Guide us with your grace
Give us faith so we'll be saved

Needs to find a place
Guide us with your grace
Give us faith so we'll be saved
