Keep on talkin' to me, keep on talkin' to me  
Keep on talkin' to me, keep on talkin' to me  
Keep on talkin' to me, keep on talkin' to me  
Keep on talkin' to me

Speak to my heart, Holy Spirit  
Give me the words that will bring new life  
Words on the wings of a morning, the dark night will  
fade away  
If You speak to my heart now

Speak to my heart, Holy Spirit  
Message of love, love to encourage me  
Lifting my heart from the snare, how You love, love me,  
and care for me  
Speak to my heart now, oh Lord

Speak to my heart, Holy Spirit  
Give me the words that will bring new life  
Words on the wings of a morning, my dark nights will  
fade away  
Speak to my heart

Speak to my heart, Holy Spirit  
Message of love to encourage me  
Lifting my heart from the snare, how You love me and  
care for me  
Speak to my heart

Speak to my heart, that's what I want You to do  
Speak to my heart, 'cause I'm waiting to hear from You  
Speak to my heart, that's what I want You to do  
Speak to my heart

Speak to my heart, Lord, give me Your holy word

If I can't hear from You, then I'll know what to do  
I won't go on, never go on my own  
Just let Your spirit guide and let Your word abide, say

Speak to my heart, Lord, give me Your holy word  
If I can't hear from You, then I'll know what to do

I won't go on, Lord, I'll never go on my own  
Just let Your spirit guide and let Your word abide

Speak to my heart, Lord, give me your holy word  
If I can't hear from You, then I'll know what to do  
I won't go on, I'll never go on my own  
Just let Your spirit guide and let Your word abide

Speak to my heart, Lord, give me Your holy word  
If I can't hear from You, then I'll know what to do  
I won't go on, I'll never go on my own  
Just let Your spirit guide and let Your word abide

Speak to my heart, Lord, give me Your holy word  
If I can't hear from You, then I'll know what to do  
I won't go on, I'll never go on my own  
Just let Your spirit guide and let Your word abide

Talk to me, talk to me, talk to me, talk to me, yeah,  
yeah  
Talk to me, talk to me, talk to me, talk  
Keep on talkin' to me, keep on talkin' to me, yeah, yeah  
Keep on talkin' to me, talk to me, talk
