The Prayer

Y: I pray you'll be our eyes
And watch us where we go
And help us to be wise
In times when we don't know
Let this be our prayer
When we lose our way
Lead us to a place
Guide us with your grace
To a place where well be safe.
I pray well find your lightn'g b'g
Y: I pray well find your light
And hold it in our hearts
Y: And hold it in our hearts
And stars go out each night
Y: Stars go out each night
Remind us where you are.
Y: Remind us where you are.
Let this be our prayer
Y: Let this be our prayer
When shadows fill our day
Y: When shadows fill our day
Lead us to a place
Y: Guide us with your grace
D: Guide us with your grace
Together: Give us faith so well be safe.
Together:
A world where pain and sorrow will be ended
And every heart that's broken will be mended
And well remember we are all Gods children
Reaching out to touch you
Reaching to the sky.
D: We ask that life be kind
Y: We ask that life be kind
D: And watch us from above
Y: And watch us from above
D: We hope each soul will find
Y: We hope each soul will find
D: Another soul to love
Y: Another soul to love.
Together: Let this be our prayer
Y: Let this be our prayer

D: Just like every child.
Y: Just like every child.
Together:
Needs to find a place
Guide us with your grace.
