Through The Fire

(Verse 1)

So many times I question the certain circumstances  
and things I could not understand.  
Many times in trials my weakness blurs my vision  
and that's when my frustration gets so out of hand.  
It's then I am reminded, I've never been forsaken.  
I've never had to stand one test alone.  
As I look at all the victories, the Spirit rises up in me.  
And It's through the fire my weakness is made strong.

(Chorus)

He never promised that the cross would not get heavy  
and the hill would not be hard to climb.  
He never offered a victory without fighting.  
He said help would always come in time.  
Just remember when you're standing in the valley of  
decision  
and the advisary says give in, Just hold on.

Our Lord will show up (YEAH)  
and He will take you through the fire again

(Bridge)

I know within myself that I would surly perish  
If I trust the hand of God, He'll shield the flame again.

(Chorus)

He never promised that the cross would not get heavy  
and the hill would not be hard to climb.  
He never offered a victory without fighting.  
He said help would always come in time.  
Just remember when you're standing in the valley of  
decision  
and the advisary says give in, Just hold on.  
Our Lord will show up (YEAH)  
and He will take you through the fire again

Just Holy On

Our Lord will show up (YEAH)

and He will take you through the fire  
again \_\_\_\_\_
