Sometimes in life you'll find that
You get in a hurry
But when you have assurance
No need to worry

You can wait, wait, wait on the Lord and you'll see
He always keeps his word
Must, just, trust in Him
Don't be dismayed

Patience in time of trouble,
Trust and believe Him
And everything God promised
you will receive it

If you wait, wait, wait on the Lord
And you'll see that He
He'll always keep His word.
Must, just trust in Him
Don't be dismayed

Trust in the word of God
For His word is true
When did He promise anything in your life
That He would not do.

Trust and depend on Him
He's always on time
Don't be discouraged
If you just believe, you will receive it

If you wait, wait, wait on the Lord
And you'll see He'll
He will keep his word

Must, just, trust in Him
Don't you be dismayed (2x)

If you wait, wait, wait on the Lord
And you'll see
He will always come through
Must, just, trust in Him

He will keep His word

Vamp

If you wait on Him (2x)

Wait on the Lord (2x)

Don't be discouraged

Don't you be dismayed

Hold on to his promises

Wait on the Lord

Be of good courage

And He will strengthen your heart

If you wait on Him

Nobody can do you like Him

He will, he'll come to you

Wait, wait, wait on God

Wait upon the Lord

He shall renew your strength

I will wait, wait, wait on Him

I'm not going no where...
