(D-dub, Umali, From the Bean to the Phillipines)

You see I'm waking up on Monday
Man this ain't no fun day
I'd rather chase the sun
But there's just too much to get done

So I just stagger into Tuesday
Man I got the blues day
I need some good news
So I just keep on payin dues

And then I stumble into Wednesday
Man I miss my friends day
I'm running low on ends
So you know I won't pretend

That I'm barely makin Thursday
I'm havin the worst day
I hate this in the worst way
I'm about to freakin curse

(Chorus)

But now it's Friday
It's do or die day
We gonna ride day
We gonna get high day

I said it's Friday
You know it's my day
And we gonna party through the weekend till we do it
all again

We gonna ride, we gonna ride, we gonna ride
We gonna ride, we gonna ride, we gonna ride
We gonna rise, grind, rewind
We gonna ride, we gonna ride, we gonna ride

(Rap)

Let's go get it poppin' homey
Just sit back and watch me homey
Money in my pocket

Haters love cock-blockin on me
Iâ€™m too busy
I just tell my girl to go cop it for me

Hereâ€™s a gwop
Hit the spot
Drive it off the lot for me
Thereâ€™s nothing to me
Iâ€™m doing this
Iâ€™m a boss in my region
Itâ€™s ballin season
Yaâ€™ll are sleepin
Iâ€™m feasting and eating
Iâ€™m at the four seasons
Havinâ€™ lobster this evening
Livin it up
Popping bottles off the cabo this weekend

(Chorus)

But now itâ€™s Friday
Itâ€™s do or die day
We gonna ride day
We gonna get high day

I said itâ€™s Friday
You know itâ€™s my day
And we gonna party through the weekend till we do it
all again

We gonna ride, we gonna ride, we gonna ride
We gonna ride, we gonna ride, we gonna ride
We gonna rise, grind, rewind
We gonna ride, we gonna ride, we gonna ride

You see we rise and grind
We do it all the time
From nine to five
Pick it up back up, rewind

I do this every day
You never get to play
You stuck at work
Iâ€™m on my grind, tryin to get this case
Nothing on my mind
But to get this paper
Now itâ€™s Friday
Do or die day
Ainâ€™t got time to mess with these haters
Rise and grid day
Hit the highway

Iâm so fly
Seven days out the week
Surprised when you ride with me
Your ears donât clog
Swagga altitude
At a all time high
Iâm a boss I donât try
Make em floss
They little ride see
Me and D-dub and Roscoe can get it straight as a
pothole
Chips, cheese, cream
Got em sour
Haters cause it's nachos
Still itâs Monday to Monday
Baby Iâm doing me
They follow me like they tweetin
Ladies pursuing me

(Chorus)

But now itâs Friday
Itâs do or die day
We gonna ride day
We gonna get high day

I said itâs Friday
You know itâs my day
And we gonna party through the weekend till we do it
all again

We gonna ride, we gonna ride, we gonna ride
We gonna ride, we gonna ride, we gonna ride
We gonna rise, grind, rewind
We gonna ride, we gonna ride, we gonna ride
