Chorus:

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Hey, listen!

Come through and let a niggah put it down for you

Ever had a niggah send from out of town for you

Signs in that baggage claim, that read yo name

Just go with them in that Lincoln car

Make sure they know who bitch you are...

When they drop you off at this 5 star

But it's general, in general I'm saying no

5 days, 4 nights, niggah's ain't living that sort of life

Room service better get the order right

Nothing like summer time Florida nights

I live for live, so we do it bigger than last time

Doing it like it's our last time

Bottle poppin' our past time

And it's past time for us to make it sexy

Though I know you in that dress

But I would rather see you naked singing

Chorus:

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Come on, Come on, gimme what you got, gimme what  
you,

gimme what you.

Come on, Come on, gimme what you got, gimme what  
you,  
gimme what you.

How you want it, on some new house of balloons shit  
Or just quite cause the music continues to be so  
useless  
They can hear you loud and clear, ten n' four, ten n'  
four  
Flight at 6 but Its already missed, cause I need an hour  
And you gone need a shower  
Cause you gotta check in, and your bags over weight  
Spend another hour with the TSA  
Cause your lost i.d. never got turned in  
I feel like you gave it to one of your girlfriends  
Right, cool I knew that, it's only right you do that  
Cause that mali got you zooted  
And now just wanna do it  
Till yo next flight out to Houston or maybe you should  
stay here  
Exchanging sexual favors 'till you're waking up the  
neighbors!  
Singing

Chorus

Come on, Come on, gimme what you got, gimme what  
you,  
gimme what you.  
Come on, Come on, gimme what you got, gimme what  
you,  
gimme what you.  
Come on, Come on, gimme what you got, gimme what  
you,  
gimme what you.  
Come on, Come on, gimme what you got, gimme what  
you,  
gimme what you.
