Hello I'm Donnis
And I provide that future supersonic
All the girls wan' jump up on it
And the n*ggas say they want it
Cos I'm fresh
Yes! Like a box of Krispy Kremes
I'm 100 miles and runnin' and I won't run out steam
You can dream (dream!)
Like you was Martin Luther-King
Yeah she used to be your girl but now she's startin'
second stream
On my team
Yeah, Donnis put her on the roster
And her ass so fat that she don't even got the proper
posture
She's a monster
Yeah, I know it hurts she leave with me
In that cheaped out SUV
With the speakers bumpin' me
Headed to the waffle house for Patty Melts with extra
cheese
N*gga please
Country rappin' ATL oh yeah that's me
Rockin' flip flops with my socks
Man I'm country to the tee
Woe is me
I am everything your boyfriend wants to be
Tell your friends, Comfort Inn,
They can meet us there at three
It be me up in this houzzle in 32 3B

Hey radio man
You gon' play my jam
Radio's gone mad
wave your hands and dance
Cos we got that supersonic, sonic, sonic
Donnis got that supersonic, sonic, sonic
Fo' you baby

You gon' play my jam
Radios gone mad

Wave your hands and dance
Cos we got that supersonic, sonic, sonic
Donnis got that supersonic, sonic, sonic
Fo' you baby

I get paper
Yeah
Like a friend who trap her keep her
I just f*ck and then I leave her
Safe to say I have amnesia
Who are you?
Wooh
Girl you stick like Elmers Blue
Let me in your intersection
Cos i f*ck with next selection
Here's a question
Yeah
Have you ever hung with stars?
Cos you acting as if you do not know who the f*ck I are!
Here's my card (card?)
Call me when you dis-is-ist
Understand that I'm the hottest thing that's in the
present tense
That is now - Wow
Yes I'm something like the truth
When I pull up in my van and all the girls are gettin'
spooked
I know it's scary
And that make pussies chase like Tom and Jerry
They go down and they come up and say it taste like
Ben and Jerry's
Ice-creams on my feet
Make the whole outfit complete
Three finger ring gleam
They can't fault complete technique
I'm just the shit
And if you rap I'm sayin' you should quit
Because I'm young, fly and rad
And quite awesome with them beats

Hey radio man
You gon' play my jam
Radio's gone mad
wave your hands and dance
Cos we got that supersonic, sonic, sonic
Donnis got that supersonic, sonic, sonic
Fo' you baby

You gon' play my jam
Radios gone mad
Wave your hands and dance

Cos we got that supersonic, sonic, sonic
Donnis got that supersonic, sonic, sonic
Fo' you baby
