Girl: I'm a little bit country
Boy : I'm a little bit rock n roll
Girl: I'm a little bit Memphis & Nashville
Boy : With a little bit of motown in my soul
Girl: I don't know it's good or bad
Boy : I know I love it so
Girl: I'm a little bit country
Boy : I'm a little bit rock n roll
Girl: He's a little bit gentle
He's a little bit running wild
Boy : She's a little bit full grown woman
She's a little bit of motown
I don't know about happy or sad
Girl: My music makes me whole
I'm little bit country
Boy : I'm a little bit rock n roll
Girl: I like that peaceful easy feeling of
lay back country song
Boy : And when I sing my rock n roll
I'll sing it whole night long
Girl: I love my country with all my heart and soul
Boy : I'll go out on Saturday night for a
little bit rock n roll
Girl: I know I don't feel alright
Boy : No matter where I go
Girl: With a little bit country
Boy : And a little bit rock n roll
