I see the questions in your eyes  
I know what's weighing on your mind  
You can be sure I know my part  
Cause I stand beside you through the years  
You'll only cry those happy tears  
And though I make mistakes  
I'll never break your heart

I swear by the moon  
And the stars in the sky I'll be there  
I swear like a shadow that's by your side I'll be there

For better or worse  
Till death do us part  
I'll love you with every beat of my heart  
And I swear

I'll give you everything I can  
I'll build your dreams with these two hands  
We'll hang some memories on the wall  
And when there's silver in your hair  
Won't have to ask if I still care  
Cause as the time turns the page  
My love won't age at all

And I swear (I swear) by the moon  
And the stars in the sky I'll be there  
I swear like a shadow that's by your side  
I'll be there

For better or worse  
Till death do us part  
I'll love you with every beat of my heart  
And I swear

Oh I swear by the moon  
And the stars in the sky I'll be there  
I swear (I swear) like a shadow that's by your side  
I'll be there

For better or worse  
Till death do us part I'll love you

With every single beat of my heart

I swear

I swear

I swear
