So many years gone, still I remember  
How did I ever let my heart believe  
In one who never gave enough to me  
So many years gone, love I was so wrong  
I can't forget the way it used to be  
And how you changed the taste of love for me

You were my one more chance  
I never thought I'd find  
You were the one romance  
I've always known, in my mind  
No one will ever touch me more  
I only hope that in return I might have  
Saved the best of me for you

We'll have no ending, if we can hold on  
I think I've come this far because of you

Could be no other love, but ours will do

You were my one more chance  
I never thought I'd find  
You were the one romance  
I've always known, in my mind  
No one will ever touch me more  
I only hope that in return  
I might have saved the best of me for you

No one will ever touch me more  
And I only hope, that in return  
No matter how much we have to learn  
I've saved the best of me for you
