(I just want to say I love you, I love you)
(I just want to say I love you)

You've been good to me so long that I want to say right
now

(Je vous aime beaucoup)
Je vous aime beaucoup, that means I love you
Not too many times that I would pray to you
(I just want to say)
But I just want to say that I love you baby, yes I do

Of all the things, needed, needed by a man
I think you should know it's you that I need more
Cause I love you, baby
(I just want to say I love you, I love you)
Oh, I love you baby, yes I do
(I just want to say I love you)

Mmm, times haven't always been so very good for us
baby, no, no
(You stood by my side)
Yes you did, whoa and that makes me love you
And baby, darlin, the road was mighty rough, mighty
rough sometimes
(You held onto my hand)
But you held onto my hand
Whoa, that makes me love you, oh

Of all the things, all the things, baby, needed by a man
I think you should know it's you that I need more
(I just want to say I love you, I love you)
Cause I love you baby
(I just want to say I love you)
I said I love you baby

Just be true to me and I'll be true
I want you to be faithful cause my love is true
I just want to say my love is here to stay
Cause I love you, oh baby
(I just want to say I love you, I love you)
(I just want to say I love you)

Don't you know that I love you
(I want to say that I love you)
I try to show you baby that I love you
(I want to say I love you)
Every day true love I want you to know
(I want to say that I love you)
That I love you
(I want to say I love you)
Je vous aime beaucoup
I said I love you baby
You better believe it now
Oh baby
