When the summer came you were not around
Now the summer's gone and love cannot be found
Where were you when I needed you last winter, my
love?

When the winter came you went further south
Parting from love's nest, leaving me in doubt
Where are you when I need you, like right now?

Our love is at an end
But you say now you have changed
But tomorrow will reflect love's past

When the winter came you were not around
Through the bitter winds love could not be found
Where were you when I needed you, last winter, my
love?

Oh I need you baby, I need you baby

Our love is at an end
But you say now you have changed,
But tomorrow will reflect love's past oh

Spring will fill the air and you will come around,
Well is it summer love that will let me down,
Where were you when I needed you, last winter, my
love?
