(Chorus)

Where is the love? (where is the love),
Where is the love? (where is the love),
Where is the love? (where is the love),
Where is the love? (where is the love).

Verse I

Where is the love you said you'd give to me as soon as
you were free
Will it ever be? Where is the love?
You told me that you didn't love him
And you were gonna say good bye
Well if you really didn't mean it,
Why did you have to lie?

Verse II

Where is the love you said was mine all mine til the end
of time
Was it just a lie? Where is the love?
If you had had a sudden change of heart
I wish that you would tell me so.
Don't leave me hangin onto promises
You've got to let me know.

(Chorus)

Do do do do, Do do do do
Do do do do do do do
Do do do do do do do do
Dooooo

Verse III

Oh how I wish I'd never met you
I guess it must have been my fate
To fall in love with someone else's love
All I can do is wait (That's all I can do, hey, hey, yeah)
