Each time we have a quarrel, it almost breaks my heart  
Cause I am so afraid, that we will have to part  
Each night I ask the stars up above  
Why must I be, a teenager in love

One day I feel so happy, next day I feel so sad  
I guess I'll learn to take, the good with the bad  
Each night I ask the stars up above  
Why must I be, a teenager in love

I cried a tear, nobody but you  
I'll be a lonely one if you would say we're through

And if you wanna break my heart, that won't be so hard  
to do  
And If you would say goodbye, I'll still go on loving you  
Each night I ask the stars up above  
Why must I be, a teenager in love

I cried a tear, nobody but you  
I'll be a lonely one if you would say we're through

And if you wanna break my heart, that won't be so hard  
to do  
And if you would say goodbye, I'll still go on loving you  
Each night I ask the stars up above  
Why must I be, a teenager in love

Why must I be, a teenager in love  
Why must I be, a teenager in love  
Why must I be, a teenager in love.....
