Close every door to me
Hide all the world from me
Bar all the windows
And shut out the light

Do what you want with me
Hate me and laugh at me
Darken my daytime
And torture my night

If my life were improtant
I would ask
Will I live or die
But I know the answers
Lie far from this world

Close every door to me
Keep those I love from me
Children of Isreal
Are never alone

For I know I shall find
My own piece of mind
For I have been promised
A land of my own

(Close every door to me)
(Hide all the world from me)
(Bar all the windows)
(And shut out the light)

Just give me a number
Instead of my name
Forget all about me
And let me decay

I do not matter
I'm only one person
Destroy me completely
Then throw me away

If me life were improtant
I would ask
Will I live or die
But I know the answers
Lie far from this world

Close every door to me
Keep those I love from me
Children of Isreal
Are never alone

For we know we shall find
Our own piece of mind
For we have been promised
A land of our own
