If I ever leave you,
You can say I told you so!
And if I ever hurt you,
You know I hurt myself as well!

Is that any way for a man to carry on,
Do you think I want my loved one gone,
Said I love you,
More than you'll ever know,
More than you'll ever know!

When I wasn't making much money,
You know where my paycheck went,
You know I brought it home to ya baby,
And I never spent a red cent...

Is that any way for a man to carry on,
Do you think I want my loved one gone,
Said I love you,
More than you'll ever know
Yea-hey, more than you'll ever know

Now listen to this...

I'm not trying to be,
Just any kind of man, no I aint,
I'm just trying to be somebody,
You can love, trust and understand,
I know, I know, I know that I can be,
The part of you that no one else could see

But I got to hear ya say, I got to hear ya say
It's Alright!
I'm only flesh and blood,
But I can be anything that you demand,
I can be king of everythang,
Or just a tiny grain of sand,
I tell you...

Is that anyway for a man to carry on
Do you think that I wants my loved one gone
I love you more than you'll ever know

I said I love you

I Love you

I Love you

Hey hey

Don't want nobody else...

Don't need nobody else...
