Im leavin it all up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through  
That's why Im leaving it up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through  
My heart in my hand  
I don't understand  
Baby, what, what have I done wrong  
I worship, I worship the ground that you walk on  
That's why Im leavin it up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through
