(Lord help me)

(Lord help me)

(Lord help me) once more again, your humble servant  
is calling on your name

(Lord help me) I've got something I want you to do for  
me

Help me to inspire those that need inspiration  
Let my life be a sign of a coming generation

(Lord help me) and I'm also asking you to help my  
brother

(Lord help me) he needs help too Lord

Help him to know that there's a purpose for living  
And Lord, hey, Lord, I want you to help him this evening
