So you heard that I'm a rebel with a heart made of  
stone

I've got a restless spirit that nobody can own.  
Every picture tells a story  
Won't you listen to mine ?  
I'm searching for the answer but it's so hard to find.

You'll see much deeper when you read between the  
lines

'cause there's a fire burning in my eyes.

Like a thief in the night who can't get enough

I am willing to fight  
'cause I'm a soldier of love.  
Like a shot in the dark when the going gets rough

It's state of the heart when you're a soldier of love.

Love can be so heartless when you turn out the lights

A mutual surrender in the heat of the night.  
Life's an empty picture when you're living alone

Maybe that's the reason every heart needs a home.

Each time I fall down I get on my feet again

I'm gonna win this battle in the end.

Like a thief in the night who can't get enough

I am willing to fight  
'cause I'm a soldier of love.  
Like a shot in the dark when the going gets rough

It's state of the heart when you're a soldier of love.

You'll see much deeper when you read between the

lines

'cause there's a fire burning in my eyes.

Like a thief in the night who can't get enough

I am willing to fight

'cause I'm a soldier of love.

Like a shot in the dark when the going gets rough

It's state of the heart when you're a soldier of love.

Shalalalala - when the going gets rough

Shalalalala - I'm a soldier of love

Shalalalala - when the going gets rough

Shalalalala - I'm a soldier of love.

Like a thief in the night who can't get enough

I am willing to fight

'cause I'm a soldier of love.

Like a shot in the dark when the going gets rough

It's state of the heart when you're a soldier of love.
