On a search, on a quest.
For the one, for the best.
Heavy days, heavy nights,
I got you in my sight.

I want you, you want me
To love you forever,
Hold it together
And I want you to know that..

Girl, sure lookin' good to me,
Girl, sure lookin' good.
(Sure lookin' good to me)
Girl, sure lookin' good to me,
Girl, sure lookin' good.
(Sure lookin' good)

You defy, you possess,
Wounded hearts of the best.
But if I surrender to your demands,
Would it change circumstance?

I want you, you want me
To love you forever,
Hold it together
And I want you to know
It's you for me, me for you
Forever and ever
Ah, any weather.
And I want you to know that..

Girl, sure lookin' good to me,
Girl, sure lookin' good
(Sure lookin' good to me)
Girl, sure lookin' good to me,
Girl, sure lookin' good
(Sure lookin' good)

Anything your heart desires,
I will provide to you gladly.
(Anything you want)

All you ever need and all you ever want
Is everlasting
(Just because your sure lookin' good)

Girl, sure lookin' good to me,
Girl, sure lookin' good.
(Sure lookin' good to me)
Girl, sure lookin' good to me,
Girl, sure lookin' good.
(Sure lookin' good)
