I'll sing a song to everyone who will
listen for a while with kindness. If my
music pleases you, it is I who'll be contented
and satisfied, indeed, as I should be.
Seinnidh mi da n dhuibh, da n beag aighearach,
Seinnidh mi da n le aoibhneas,
Seinnidh mi da n, da n ris a h-uile duin'
Dh'aisdeas rium greiseag le caoibhneas.
Ma cha rdas mo chea l riubh, 's mis a bhios toilicht'
Is sa saicht' gu dearbh mar bu cha ir dhomh
