I'm a little bit country
And I'm a little bit rock 'n roll
I'm a little bit of Memphis and Nashville
With a little bit of Motown in my soul
I don't know if it's good or bad
But I know I love it so
I'm a little bit country
And I'm a little bit rock 'n roll

He's a little bit gentle, he's a little bit runnin' wild
She's a little bit of fullgrown-woman, she's a little bit of
child
Don't know if I'm happy or sad
My music makes me whole
I'm a little bit country
And I'm a little bit rock 'n roll

I like that peaceful easy feeling of a laid back country
song
And when I sing my rock n' roll, I can sing it all night
long
I love my country with all my heart and soul
I go out on Saturday night for a little bit of rock 'n roll
I know I'm goin' to feel allright
No matter where I go
With little bit of country
And a little bit of rock 'n roll

I like that peaceful easy feeling of a laid back country
song
And when I sing my rock n' roll, I can sing it all night
long
I love my country with all my heart and soul
I go out on Saturday night for a little bit of rock 'n roll
I know I'm goin' to feel allright
No matter where I go
With little bit of country
And a little bit of rock 'n roll

We're a little bit country
We're a little bit rock 'n roll
