Each time we have a quarrel, it almost breaks my heart
Cause I am so afraid, that we will have to part
Each night I ask the stars up above
Why must I be, a teenager in love

One day I feel so happy, next day I feel so sad
I guess I'll learn to take, the good with the bad
Each night I ask the stars up above
Why must I be, a teenager in love

I cried a tear, nobody but you
I'll be a lonely one if you would say we're through

And if you wanna break my heart, that won't be so hard
to do
And If you would say goodbye, I'll still go on loving you
Each night I ask the stars up above
Why must I be, a teenager in love

I cried a tear, nobody but you
I'll be a lonely one if you would say we're through

And if you wanna break my heart, that won't be so hard
to do
And if you would say goodbye, I'll still go on loving you
Each night I ask the stars up above
Why must I be, a teenager in love

Why must I be, a teenager in love
Why must I be, a teenager in love
Why must I be, a teenager in love.....
