The season comes  
But once a year  
A gift  
Of precious wonder  
For all  
Who hold it dear  
But past the sights  
And coloured lights  
Lord  
Far beyond December  
I will remember

After the carols  
Fade away  
After the Yule fire  
Dies down  
When there are  
No longer dreams  
To open and see  
Because You  
Are hope  
And joy and peace  
Because You're  
The only gift  
I need  
In my heart  
The season  
Will remain  
After December  
Slips away

Years ago  
Beneath a tree  
Fell the drops  
Of crimson  
That set  
The faithful free  
The gift was life  
Sent in love  
Lord  
Far beyond December  
I will remember

After the carols  
Ffade away  
After the Yule fire  
Dies down  
When there are  
No longer dreams  
To open and see  
Because You are  
Hope and joy  
And peace  
Because You're  
The only gift  
I need  
In my heart  
The season  
Will remain  
After December  
Slips away

No matter how  
Bbright  
The glitter shines  
No matter how  
Many hopes  
Come true  
I know  
That all I have  
Begins and ends  
With You

After the carols  
Fade away  
After the Yule fire  
Dies down  
When there are  
No longer dreams  
To open and see  
Because You are  
Hope and joy  
And peace  
Because You're  
The only gift  
I need  
In my heart  
The season  
Will remain  
After December  
Slips away  
In my heart  
The season

Wwill remain  
After December  
Slips away
