I closed my eyes
Drew back the curtain to see for certain
What I thought I knew
Far Far away
Someone was weeping
But the world was sleeping
Any Dream Will Do

I wore my coat
With golden lining
Bright colors shining
Wonderful and New
And in the East
The Dawn was breaking
And the world was waking
Any Dream Will Do

A Crash of Drums
A Flash of Light
My Golden Coat throughout a site
The Colors faded into darkness
I was left alone
May I return
To the beginning
The light is thinning
An the dream is too
The World and I
We are still waiting
And hesitating
Any Dream Will Do

A crash of Drums
A Flash of Light
My golden coat throughout a site
The colors faded into darkness
I was left alone

My I return
to the Beginning
The light is thinning
And the Dream is too
The World and I

We are still waiting
Still hesitating
Any Dream Will Do
