I'll be going, going, gone to somebody else, somebody else.

Girl, I'll be going, going gone to somebody else.

Handle me easy, baby, or I might break.

Watch how you treat me, baby, for your own sake.

My love is growing stronger, if you wait any longer...

I'll be going, going, gone to somebody else, somebody else.

Girl, I'll be going, going, gone to somebody else.

Baby, your'e used to playing so hard to get.

Having your own sweet way and making 'em sweat.

Baby, I'm not your rover, you'd better move on over.

I'll be going, going, gone to somebody else, somebody else.

Girl, I'll be going, going, gone to somebody else.

Baby, I'm not your rover, you'd better move on over.

I'll be going, going, gone to somebody else, somebody else.

Girl, I'll be going, going, gone to somebody else, somebody else.

I'll be going, going, gone to somebody else, somebody else.

Girl, I'll be going, going, gone to somebody else.....
